THE MOST
PECULIAR
INSTITUTION
IN
WASHINGTON,
DISTRICT OF
COLUMBIA

Dedicated to my family

I love and portray the
absurdities of our world.

CHARACTERS AND TERMS

TATYANA IVANKOVA HOPKINS: The Fetish Whisperer of the United States and protagonist of the story. Amid her intentionally submissive demeanor expected by her billionaire, all right aligned family, this Machiavellian, Ukrainian mail-order-bride has a fondness for manipulating the masses. She therefore patiently waits for the right moment to destroy her husband and marital relatives in order to extract their financial assets, one therapy session at a time.

DONOR WASHINGTON (FORMERLY KARL DRICKLEDINGLER): CEO of the American Libertarian Oil and Pharmaceutical Corporation. As the highest ranking Republican Donor and one of the richest men in America, this pro-Ayn Rand (but secretly fascist) oil/ drug baron has an iron grip on the Party of Lincoln and is basically the de-facto leader of the U. S. Originally known as Karl Drickledingler, he inherited his company and fortune after the untimely death of his pro-personality-cult billionaire father in 1968. Karl subsequently co-created a 50 year "grand plan" with KGB operatives to overthrow the United States Government and replace it with a "Libertarian" dictatorship that he would actually control behind the scenes. After years of being addicted to every injectable drug known to man mixed with with melted gold bars from the U. S. Treasury, his head shrunk to the size of a Mr. Potato Head toy in 1980. This accident required Karl to don the life support helmet with the facial features of the late first President of the United States, thus being known henceforth as "Donor Washington".

U. S. REPRESENTATIVE VIRGINIA FOX (R-NC): A Republican Congresswoman who has represented North Carolina's 5th Congressional District (nestled in that state's Blue Ridge Mountains) since 2005. Claiming she "was tea party before the tea party started", she has appeared to live up to that mantra quite frequently during her tenure in the U. S. House of Representatives. As referenced in this issue, she caught the attention of then-House-colleague and future Vice President Mike Pence when she became one of a small number of members of congress at the time to not vote in favor of a \$50 million aid package for Hurricane Katrina. The following is the link to the source article from POLITICO.COM utilized to describe Representative Fox, titled "Meet the congresswoman poised to tear up Obama's education legacy", by Kimberly Hefling: <https://politicocom/story/2016/12/virginia-foxx-obama-education-legacy-232084>.

DONORLING: a minion of Donor Washington that, upon impressing him at the annual DonorCon conference in Palm Springs, CA, is bought a political office of Donor Washington's choosing in exchange for placing "Donor over Country" and upholding the "Three Libertarian Ideals", even if doing so requires illegal and corrupt methods.

THE "THREE LIBERTARIAN" IDEALS: They are as follows:

1. Climate change does not exist.
2. Abortion is wrong.
3. Anyone born into the bottom 99% of income earners in America is scum and inferior to the "divine" donor class.

IN WASHTON, D.C., MANY POLITICIANS BELIEVE THAT THE FEDERAL GOVERNMENT HAS TOO MANY "PECULIAR" INSTITUTIONS.

MANY WITHIN THE BELTWAY, HOWEVER, CAN'T AGREE ON WHAT ANY OF THOSE AGENCIES ARE.

COMBINED WITH THE DONOR CLASS'S DARK MONEY THAT CONTROLS EVERYONE HERE LIKE A PUPPET, HOWEVER, MANY CONSTITUENTS CONCLUDE THAT THE FEDERAL GOVERNMENT CAN'T EVER BE TRUSTED.

REPEAT AFTER ME: CLIMATE CHANGE IS NOT A BIGLY DEAL!

CLIMATE CHANGE IS NOT A BIGLY DEAL.

HOWEVER, THERE IS A BIPARTISAN CONSENSUS THAT ONE SUCH POSITION SHOULD ALWAYS STAY.

I, TATYANA IVANKOVA HOPKINS, AM THE INCUMBENT OF THIS HIGH AND EXALTED OFFICE.

WHY A HOT, SAUCY INNOCENT MAIL-ORDER BRIDE FROM UKRAINE WAS CHOSEN FOR THIS JOB I WILL NEVER FULLY UNDERSTAND.
