EXPERIENCE

Creative Experience-2014-Present

Over 8 years of experience completing multiple projects with Photoshop, Illustrator, Indesign, After Effects, Premier Pro, Audition, Muse, Power Point, Word, and Excel. Designed branding and logos for real world clients.

Dominican University of California Senior Thesis Project-2017-2018

Created and published the first issue of politically satirical comic book series using Photoshop, and Indesign. Also created a related animated short using After Effects and Premier Pro. The project involved collaborating with several faculty members and involved storyboarding, concept art, and infographics. The product was completed well in advance of deadlines and was exhibited in the art gallery at the Dominican University of California library.
